ADDITIONAL TRAINING AND OBJECTIVES

Multiple internship exercises have made me very competent in the field of development. I can now programme in C++, Java, Python, HTML, ReactJs, React Native, JavaScript, PHP, NodeJs, Express, etc. I also have my personal application programming interfaces (APIs) hosted online to help me achieve daily tasks easier.

STORIES

I'm now a Computer Science student at the University of Ghana, Legon. I have worked with teams on lot of projects but mostly, I work alone. I have developed a number of softwares in web applications,

databases, mobile apps, etc. I also have a YouTube channel that I periodically post fix vides on some issues we face with computers. The channel's name is JuniorFixHow.
